2 Trem - ble, earth, be - fore the one God. Jac - ob's God, the on - ly Lord

Ju - dah was God's sanc - tu - ar - y, Is - rael un - der His com - mand.  
Made the flint in - to a foun - tain So a spring flowed at His word.

Then the sea fled with a shiv - er, As the moun - tains skipped like rams  
Look and see how the cre - a - tor Turned the rock in - to a pool

And the lit - tle hills like lambs, Till the Jor - dan flowed up - riv - er.  
Full of wat - er pure and cool. Tell us, foun - tain, who is great - er?

Ask the wat - ers what they see. Ask them why they turn and flee.  
Ask the wat - ers what they see. Ask them why they turn and flee.
